

A hiker with a large backpack is seen from behind, walking up a steep, rocky mountain trail. The trail is covered with grey rocks and patches of green moss. The background shows a misty, mountainous landscape. The entire image is overlaid with a dark grey semi-transparent filter.

- In a few lines :

Throughout my varied sporting career, it was in the demanding field of Hike & Fly, which combines walking and paragliding, that I discovered my true passion. This discipline offers me an unparalleled feeling of freedom, in total symbiosis with nature and breathtaking landscapes. I also achieved notable feats, such as :

- 5th in the Mt-Blanc Air Tour 2023 (World Cup)
- Swiss Vice-Champion in 2022
- 5th in the X-Pyr 2022 (World Cup)
- Swiss Champion in 2021

These successes fuel my passion for Hike & Fly and push me to explore new opportunities, while constantly pushing my limits in this captivating sport.

- My journey :

2017

Pilot's License

The youngest licensed pilot in Switzerland, at the age of 16, on my birthday.

2021

Professional Tandem License

I obtained the tandem license after 3 years of training.

2021

Swiss Champion

My first participation in the Swiss championship allowed me to clinch the Swiss champion title after three intensive days.

2022

World Circuit

My first race at the global level (X-Pyr). Despite very wet conditions and a lot of hiking, I was able to compete with the world's elite and closely follow them, finishing in a respectable 5th place.

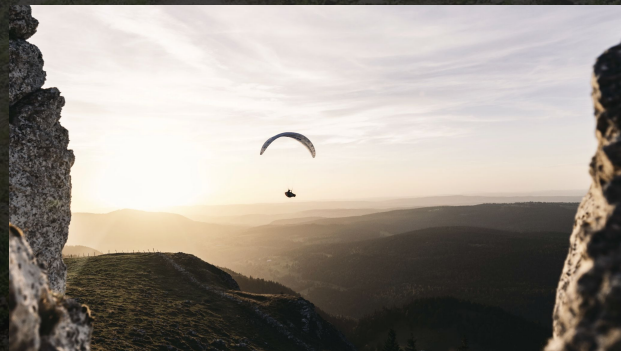

- *My goals :*

Short term

- Top 5 at X-Pyr 2024
- Various podiums during Swiss Hike & Fly competitions
- Junior World Cross Country Championship in 2024
- Podium during the Swiss Cross Country Championship in 2024

Medium and long term

- Participation in the Redbull X-Alps in 2025
- Various podiums at Hike & Fly World Cups
- Establishing my career in paragliding
